

UPPER SCHOOL PROFILE

Randolph School's Upper School offers students in grades 9-12 an educational journey where learning is a process, not a destination. In this engaging and challenging environment, students reach their full potential through creative exploration and experiential learning, while developing the confidence to experiment without fear of failure.

Our rigorous academic program, combined with a wide range of extracurricular opportunities in the arts and athletics, provides a foundation for students to think critically, lead effectively, and discover who they want to become.

At Randolph, we open doors to epic possibilities by equipping students with the skills and structure needed for lifelong success. Our Upper School fosters natural curiosity in an environment where students are known, trusted, and understood – encouraging them to show initiative by exploring independent thought and embracing academic challenges.

Guided by our Honor Code's high standards of integrity, Randolph students grow into confident, authentic individuals. They not only navigate the college admissions process with positivity and purpose, but arrive fully prepared to thrive in the next chapter of their educational journey.

Randolph School holds dual accreditation from SAIS and Cognia, and is a member of the National, Southern, and Alabama Associations of Independent Schools; the National and Southern Association for College Admission Counseling; The College Board; the National Honor Society; the Cum Laude Society; and the Global Online Academy.

OUR STUDENT EXPERIENCE

26 varsity teams playing **16** sports

79% of our Upper School students participate in at least one sport, with **35%** playing more than one.

In the 2024-2025 school year, students earned **14** state titles, and **7** students will pursue their athletic endeavors in college.

The Upper School presents **2** major theater productions each year. Students can also participate in band or choir, or enroll in courses such as art history, painting, drawing, two-dimensional and three-dimensional art, ceramics, photography, and theater.

Randolph offers a robust AP program for juniors and seniors, providing opportunities to develop and present their design portfolios. Regardless of the artistic path they choose, students gain a deeper insight into themselves and a heightened awareness of the creative forces that shape our world and its cultures.

Interim Week provides every student the opportunity to learn experientially outside the classroom through a wide range of trips, career shadowing, and service projects both locally and globally.

2025 Interim included: Iceland, Panama, The Iron Curtain, Nashville Culinary, Orlando, Florida Keys, and Boston, Massachusetts.

Week of Service projects were held at the Manna House, Greater Tails Humane Society, Christmas Charities Year-Round, and tutoring at the Richard Showers Service Center. Additionally, courses in engineering and woodworking were offered.

In the Class of 2025, **93%** of students took at least one Advanced Placement course, with **68%** taking 3 or more.

Virtually all Randolph graduates attend four-year colleges. Here are some statistics from the most recent graduating class (2025):

45%

of students scored **30 or higher** on the ACT or equivalent SAT score.

will complete Calculus

COURSE OFFERINGS

COMPUTER SCIENCE & TECHNOLOGY

- Digital Animation/ AP 2D Art and Design (Animation)
- Digital Modeling
- Video Game Design /AP 2D Art and Design (Video Game Design)
- Engineering
- Intro to Computer Science with Java
- Intro to Computational Thinking with Python
- Intro to Digital Technologies

ENGLISH

- AP English Language
- AP English Literature
- AP Seminar
- Comparative World Religions
- English 9/ English 11/ English 12
- Ethics
- Yearbook

FINE ARTS

PERFORMING ARTS

- Concert Band
- Concert Choir
- Introductory Theatre/Advanced Theatre/Technical Theatre
- Beginning Guitar /Guitar Lab
- Beginning Piano /Piano Lab
- Music Theory 1 & 2/ AP Music Theory

VISUAL ARTS

- Ceramics/ Advanced Ceramics
- Drawing/ Advanced Drawing and Painting
- Graphic Design/ AP 2D Art and Design (Graphic Design)
- Jewelry Design
- Painting
- Photography/Advanced Photography / AP 2D Art and Design (Photography)
- Sculpture / 3D Design
- 3D Art Seminar
- AP Studio Art: 3D Design
- AP Studio Art: Drawing
- Digital Modeling
- Digital Animation/ AP 2D Art and Design (Animation)
- Video Game Design /AP 2D Art and Design (Video Game Design)
- AP 2D Art and Design (Animation)

MATHEMATICS

- Geometry/Honors Geometry
- Algebra 2/Honors Algebra 2
- Calculus/AP Calculus AB/ AP Calculus BC
- Intermediate Algebra/ Advanced Algebra
- Precalculus/Honors Precalculus
- Mathematical Models
- Statistics/AP Statistics
- Trigonometry

SCIENCE

- Biology/Honors Biology/AP Biology
- Environmental Science
- Chemistry/Honors Chemistry/AP Chemistry
- Comparative Anatomy
- Human Anatomy and Physiology
- Microbiology
- Physics/Honors Physics/AP Physics C

HISTORY & SOCIAL SCIENCES

- AP Art History
- The Homeric Age: A Survey
- World History 1 & 2/ AP World History: Modern
- US History / AP US History
- Introduction to Psychology
- AP Government and Politics
- The Homeric Age

WORLD LANGUAGE

- French 2/ French 3/ French 4 / French 5 / AP French
- Latin 3 / Latin 4 / AP Latin
- Spanish 1
- Spanish 2 / Honors Spanish 2
- Spanish 3 / Honors Spanish 3
- Spanish 4 / Honors Spanish 4/ AP Spanish Language and Culture

GLOBAL ONLINE ACADEMY

<https://globalonlineacademy.org/>

Global Online Academy (GOA) courses open the door to innovative ideas, global perspectives, and unique academic experiences. Whether students explore subjects like medical problem-solving, cybersecurity, Japanese, or architecture, each course is designed to ignite their curiosity and extend learning beyond the traditional classroom.

Through GOA, students can explore potential college majors and career paths while demonstrating their readiness for academic challenges. These courses encourage students to think differently, learn in new ways, and discover how their passions and skills can create a meaningful impact.

ART, MEDIA, AND DESIGN

- Architecture
- Arts Entrepreneurship
- Creative Nonfiction Writing
- Filmmaking

BUSINESS, ECONOMICS, AND FINANCE

- Personal Finance
- Investing 1 and 2
- Intro to Branding and Marketing
- Macroeconomics
- Microeconomics

COMPUTER SCIENCE AND ENGINEERING

- Computer Science II: Analyzing Data with Python
- Cybersecurity
- Introduction to Artificial Intelligence
- Introduction to Blockchain and Cryptocurrency
- Problem Solving with Engineering and Design

GLOBAL STUDIES

- Computer Science II: Analyzing Data with Python
- Cybersecurity
- Introduction to Artificial Intelligence
- Introduction to Blockchain and Cryptocurrency
- Problem Solving with Engineering and Design

HEALTH SCIENCE

- Medical Problem Solving 1 and 2
- Bioethics
- Global Health
- Introduction to Organic Chemistry 1 and 2

LAW

- Intro to Legal Thinking
- Prisons and Criminal Justice

MATHEMATICS AND QUANTITATIVE REASONING

- Data Visualization
- Linear Algebra
- Number Theory
- Problem Solving with Engineering and Design

PSYCHOLOGY AND SOCIAL STUDIES

- Abnormal Psychology
- Gender and Society
- Genocide and Human Rights
- International Relations
- Religion and Society
- Race and Society

THE LEO CENTER FOR EXCELLENCE

Over the past 65 years, Randolph School has grown and evolved alongside the city of Huntsville, emerging as a leader in education as the city has become a hub for 21st-century innovation. Since 1959, Randolph has fostered a nurturing environment where intellectual curiosity, personal growth, and excellence in academics, arts, and athletics thrive.

Now, with the creation of the Leo Center for Excellence, the school continues its legacy by investing in spaces that foster connection, belonging, and exceptional learning. The new center will include a community gathering space, an additional gymnasium for all divisions, an expanded performance area for athletes, and a state-of-the-art Innovation Hub and Technology Lab designed to enhance the school's STEM offerings.

SENIOR-KINDERGARTEN BUDDY PROGRAM

Our comprehensive Senior-Kindergarten Buddy Program pairs graduating seniors with incoming kindergarteners to create meaningful cross-generational connections that span their entire academic journey. Through thoughtfully planned monthly activities – ranging from shared reading sessions and hands-on STEM projects to seasonal celebrations and outdoor adventures – our seniors serve as mentors, role models, and guides, warmly welcoming our youngest learners into the school community.

Bonds formed through this program often develop into lasting relationships that extend well beyond graduation, creating a legacy of mentorship and community connection that defines our school culture. By bridging the gap between our oldest and youngest students, this initiative strengthens the entire school community and reflects our commitment to nurturing relationships that support academic, social, and emotional growth at every stage.

ACADEMIC INFORMATION AND TESTING RESULTS

CLASS OF 2025 ACT SUMMARY

81 STUDENTS TESTED		
27.46	AVERAGE	29 MEDIAN

CLASS OF 2025 SAT SUMMARY

21 STUDENTS TESTED

1330.87	AVERAGE	1340 MEDIAN
679.5	ERW AVERAGE	680 MEDIAN
657.50	MATH AVERAGE	680 MEDIAN

GRADUATION REQUIREMENTS

The academic year is divided into two semesters. Students need 23.5 Carnegie Units to graduate from the Upper School.

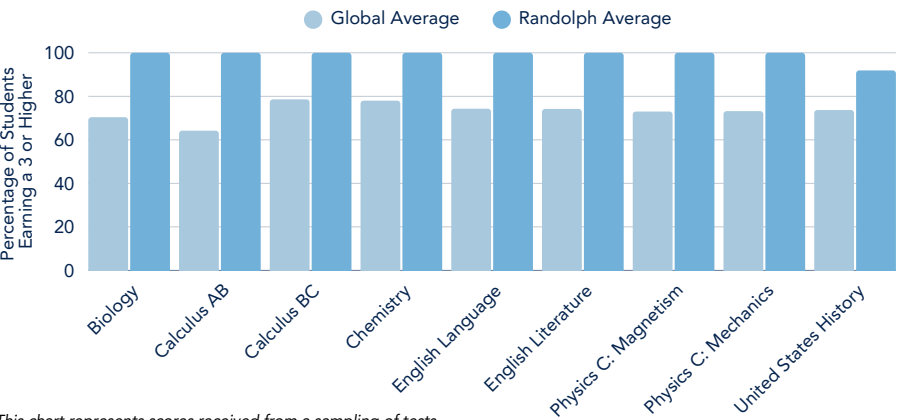

GPAs FOR THE CLASS OF 2026

AP SCORES

At Randolph, we thoughtfully limit the number of Advanced Placement (AP) courses a student may take to ensure a balanced and purposeful academic experience. Beginning in Fall 2025, all 10th graders take AP Seminar to fulfill their English 10 requirement, introducing them to college-level research, writing, and presentation skills. In 11th grade, students may take up to three AP courses, while 12th graders may take up to four. Students wishing to take an additional AP course beyond these limits may submit a petition for consideration.

This chart represents scores received from a sampling of tests. AP courses are not offered to ninth-grade students.
