

RANDOLPH

SUMMER CAMPS

2025 SUMMER PROGRAMS

Experience the Randolph Difference in the Summer Enrichment STEAM Program

What's being offered?

Our Summer Enrichment STEAM program will not only strengthen academic acumen, but also inspire creativity and innovation by offering a new, full-day format that includes enrichment learning in the morning, accompanied by STEAM activity sessions in the afternoon. Our program will expose children to a challenging academic program that will keep them engaged and excite their imagination!

Why it's worth it?

The full-day summer program is being offered in weekly sessions that are structured to keep students safe, engaged academically, and inspired to learn more about subjects that interest them.

Cost for weekly sessions varies and includes:

- **Small class sizes with academic enrichment lessons led by Randolph School faculty and staff**
- **Social/Emotional development opportunities through structured activities with other students**
- **A differentiated learning approach that is designed for each age group and grade.**
- **The option to extend the day with our late-stay program that incorporates outdoor activities and interactive games (additional cost of \$105 per week).**

Sample Schedules

Grades K - 4

8:00 - 9:00am: Small Group Activity

9:00 - 11:00am: Academic Enrichment (divided by grade K, 1 & 2, 3 & 4)

11:00am - 12:00pm: Lunch (includes daily lunch)

12:00 - 1:00pm: STEAM Session #1

1:00 - 2:00pm: STEAM Session #2

2:00 - 3:00pm: STEAM Session #3

3:00-5:00pm: Afternoon Activity Session (optional add-on)

Grades 5 - 6

8:00 - 9:00am: Small Group Activity

9:00 - 11:00am: Academic Enrichment (divided by grade 5, 6, 7)

11:00am - 12:00pm: Lunch (includes daily lunch)

12:00 - 1:30pm: STEAM Session #1

1:30 - 3:00pm: STEAM Session #2

For current and future students enrolled at Randolph, please register in MyRandolph. For the North Alabama community, visit randolphschool.net to register. If you have questions about the summer program please email: summerprograms@randolphschool.net or call 256.426.6533

ELEMENTARY CAMPS

\$500
per week

Ages: Rising Kindergarten - 4th Grade

Max participants: 70 Students

Location: Drake Lunchroom

June 2-6

Ticket to Ride: World Travel Adventure

Get ready for a journey around the world without leaving your hometown! This summer, join us for the World Travel Adventure STEM Camp, where young explorers will embark on a global tour through science, technology, engineering, and math!

Each day, campers will “visit” a different country, diving into the fascinating science and technology of that region. From building bridges inspired by the great engineering feats of Italy to exploring renewable energy like the wind farms of Denmark, your child will discover the wonders of the world through hands-on STEM projects!

June 9-13

Ocean Explorer

Dive into the wonders of the ocean with our Ocean Explorers STEM Summer Camp! This exciting, hands-on camp is designed for elementary students who are curious about marine life, ocean science, and the mysteries of the deep sea. Over the course of the week, campers will explore ocean ecosystems, learn about marine biology, climate science, and even get a taste of oceanography through fun, interactive experiments and activities.

June 16-20

Ultimate Inventors Laboratory

Are you ready to spark your imagination and become the next great inventor? Join us for a fun-filled summer camp where creativity, science, and engineering collide. Campers will explore the fascinating world of invention, design, and problem-solving. Through hands-on projects, campers will Design & Build: Create cool inventions using simple materials like cardboard, gears, and motors. Explore Famous Inventors: Learn about the brilliant minds who changed the world, like Thomas Edison, Nikola Tesla, and more. Solve Real-World Problems: Work together to come up with creative solutions to everyday challenges, just like real inventors do!

June 23-27

Junior Detectives SPY STEM Adventure

Get ready for an exciting summer filled with mystery, puzzles, and hands-on science! Throughout the week, campers will learn the science behind fingerprinting, analyzing evidence, and piecing together clues. Develop your problem-solving skills with fun challenges, from cracking secret codes to using logic puzzles. Explore tools detectives use, like magnifying glasses, cameras, and even basic robotics to catch the culprit. Perform simple experiments to uncover hidden messages or solve chemical mysteries. Work in teams to organize and analyze clues, just like real detectives! This camp is designed for young detectives ready to unleash their inner scientist and learn how STEM (Science, Technology, Engineering, and Math) helps solve mysteries! Whether you're tracking down Dr. Evil or decoding secret messages, this camp is sure to be an unforgettable adventure.

ELEMENTARY CAMPS

Ages: Rising Kindergarten - 4th Grade

Max participants: 85 Students

Location: Drake Lunchroom

July 7-11

Big Top Circus Camp

Join us for an unforgettable week at circus camp, you'll have the chance to master circus arts. Campers will build confidence and coordination: Improve balance, strength, flexibility, and teamwork in a fun, supportive environment. In addition to skill-building activities, campers will enjoy creative arts, camp games, and themed activities, all while making lifelong friends and unforgettable memories. At Big Top Circus Camp, it's all about fun, fitness, and flair! Join us for a summer under the big top—where the spotlights on you!

July 14-18

Pirate's Cove Crew Camp

Ahoy, mateys! Get ready to set sail on the adventure of a lifetime at Pirate Camp! This summer, join us for a week full of treasure hunts, pirate games, and swashbuckling fun. You'll learn how to read pirate maps, make your own pirate flag, and even practice your pirate talk! We'll race across the seas in canoe battles, walk the plank (if you dare!), and discover hidden treasures buried around camp. Each day is a new chance for you to become a true pirate, so gather your crew and get ready to sail into an unforgettable summer at Pirate Camp!

July 21-25

Wizards and Wands Magical Adventure Camp

Are you ready to step into a world of magic and mystery? Campers will embark on an enchanting journey to discover their magical abilities, make new friends, and have fun for the finale week of summer camp! Campers will create their own wands, and care for magical creatures. With exciting activities like potion-making, enchanted games, and scavenger hunts, there's never a dull moment! Whether you're casting a charm, designing a wizard hat, or exploring the magical forest, every day at camp will be filled with wonder and excitement. Get ready to put on your wizard robes, grab your wand, and prepare for an unforgettable adventure!

ELEMENTARY CAMPS

EXTENDED DAY for the JUNE CAMPS ONLY

3:00pm-5:30pm in the Drake Lunchroom

MAX participants: 75

\$105
per week

Ultimate, Awesome, and Totally Epic Fun and Games Camp

Our afternoon extended day sessions are jam packed with a wide variety of awesome, daily activities! Campers will have a blast burning off energy by joining in for super fun games, playing outdoors, and engaging with friends. Make plans to join this camp where campers will experience healthy social interactions and learn cooperation through group activities. They will also develop confidence as they work together as a team that will contribute to a healthy mindset!

16-20

JUNE
23-27

MIDDLE SCHOOL CAMPS

Ages: Rising 5th - 8th Grade
Max participants: 48 Students
Location: R.F.A.C.

June 2-6

Design a Waterpark

Dive into the world of creativity and engineering at our exciting Design a Waterpark Summer Camp! This hands-on, fun-filled camp lets middle schoolers channel their imagination to create the ultimate waterpark experience. Whether you love water slides, wave pools, or lazy rivers, this camp is perfect for aspiring designers, engineers, and thrill-seekers alike!

June 9-13

Design your Dream Airbnb

Are you ready to unleash your creativity and entrepreneurial spirit this summer? Join us for an exciting, hands-on camp where you'll design your very own Airbnb! Whether you're passionate about interior design, tech, or travel, this camp is the perfect blend of imagination, business skills, and fun.

In this camp, you'll take on the role of an Airbnb host and create your dream vacation rental from scratch. You'll start by brainstorming unique and fun themes for your space—think treehouses, futuristic pods, or underwater escapes! From there, you'll get to design every detail, from furniture and décor to creating a welcoming listing online with professional photos and descriptions.

June 16-20

Mission to Mars-Adventure to the Red Planet

Are you ready to embark on the ultimate interplanetary adventure? Join us for this exciting camp, where you'll dive into the exciting world of space exploration and learn what it takes to survive and thrive on the Red Planet! This hands-on, week-long camp will have you exploring everything from Martian geography to life in a futuristic colony. Campers will design their own habitat and will need to plan for everything needed to survive—air, water, food, and protection from the harsh Martian environment. Are you ready for life on Mars? The future of space exploration is in your hands!

June 23-27

Shark Tank

Are you a creative thinker with big ideas? Do you dream of building the next big product or service? Do you have what it takes to pitch your ideas to a panel of "sharks" and win their investment? Then the Shark Tank Summer Camp is for you! This exciting, hands-on camp is designed for middle school students who want to unleash their entrepreneurial spirit! Over the course of the week, campers will work in teams to create their own business ideas, build prototypes, and develop marketing strategies. With the guidance of experienced mentors, they'll learn key business concepts such as budgeting, teamwork, product development, and public speaking. At the end of the camp, campers will pitch their businesses to a panel of "sharks" (teachers, entrepreneurs, and community leaders), just like the hit TV show Shark Tank! The top teams will have the chance to win fantastic prizes and get feedback on their ideas. Whether you're passionate about technology, fashion, food, or anything in between, this camp will give you the tools and confidence to bring your entrepreneurial dreams to life!

MIDDLE SCHOOL CAMPS

Ages: Rising 5th - 8th Grade
Max participants: 48 Students
Location: R.F.A.C.

\$400
per week

July 7-11

World Travel Expedition Camp

Get ready for an unforgettable journey around the globe—without leaving camp! The World Travel Adventure Camp is the perfect place for middle schoolers to embark on exciting explorations of different cultures, countries, and continents.

Each day, campers will travel to a new destination, discovering the unique traditions, foods, languages, and natural wonders that make our world so incredible.

Through hands-on activities, games, art projects, and interactive lessons, campers will explore regions like Europe, Asia, Africa, and the Americas. There will be cultural challenges, cooking lessons featuring dishes from around the world, and even a chance to create your own passport and “travel” to a new country every day. In addition to exploring different cultures, campers will take part in team-building STEM lessons that encourage collaboration, problem-solving, and critical thinking—skills that will help them navigate the global world they’ll inherit. Whether you’re imagining the jungles of the Amazon or exploring the streets of Tokyo, this camp will give you a passport to adventure, learning, and friendship!

July 14-18

Acting Out Camp

Have you been bitten by the acting bug? In the words of Shakespeare, “All the world’s a stage” - and our middle school acting camp is the place for you! Each day brings new challenges as we work on acting skills, play improv games, and explore what goes on behind the scenes. Experience all that goes into putting on a play: from auditioning and casting, to rehearsing, to creating a world on stage, and finally to a performance. Campers will have the chance to hone their collaboration skills through script work, prop making, team building improvisation exercises, and more. There’s no time to wait in the wings - at the end of the week, this new cast will put on a once-in-a-lifetime performance of their one-act play for an audience!

MIDDLE SCHOOL SUMMER SLAM STEM CAMP

\$400

July 21-25

Students will enjoy a unique and stimulating learning experience that fosters critical thinking skills, creativity and collaboration. This program has been designed to offer students a week-long session that will offer them skills that will strengthen their academic foundation in middle school. Students will split their time between Math, English, and STEM where they will receive instruction that is both specialized and individualized to their learning needs. During coding time, students will learn the basics of computer programming as they explore essential mathematical concepts with Randolph's new STEM Coordinator Phillip Taylor. By the end of the week, they will be creating their own digital art, and games using code!

**Rising 5th and 6th graders only
only 20 spots per grade**

Greengate Reading Camp 2025

For students entering grades 1 – 5 in the 2025-26 school year

The four-week program costs \$1,605 and takes place from 8:00 - 11:00AM from June 2-27.

Greengate School's four-week program works to strengthen language and math skills for children with reading difficulties. The program offers daily reading tutorials conducted by specialists trained in Orton-Gillingham instruction, an approach designed for bright children who struggle in reading, spelling and writing. This helps ensure the child doesn't lose precious academic ground during the long weeks of summer.

Studies show that all students experience about a month of learning loss during the summer, and for students with dyslexia, the losses may amount to as much as 3 months. Weaknesses in memory, processing speed, attention, and language development cause skills to erode more quickly. As a result, students have to spend more time reviewing at the beginning of each school year in order to catch up. Continuing instruction during the summer months can help greatly reduce learning loss.

Who should attend? Students entering grades 1 - 5 who:

- have good verbal abilities who struggle in reading, spelling, writing, and/or math
- need continued summer instruction to ensure maintenance or continued growth of skills
- can work in a small group setting without major behavioral problems
- thrive within a multi-sensory instructional environment.

Children do not need any special testing or learning diagnosis to be eligible to attend the summer reading program, but parents must submit information for review before acceptance and some pre-screening is required. We are not able to support children with emotional and/or behavioral difficulties in our summer reading program. If it is determined after the program begins that a student has emotional and/or behavioral difficulties, the student may be removed from the program. Under these circumstances, the cost of the program is non-refundable.

Greengate Summer Reading Program participants can also sign up to participate in any of the K-4 STEAM sessions during weeks 1-4 from 11:00AM – 3:00PM, which includes lunch daily and costs an additional \$880.

Week 1: Ticket to Ride: World Travel Adventure

Week 2: Ocean Explorers

Week 3: Ultimate Inventors Laboratory

Week 4: Junior Detectives SPY STEM Adventure

Afternoon participants: 20 students

This is only an option for students who have signed up for the Greengate Reading Camp.

It is not an option for someone who just wishes to attend the afternoon sessions.

SPORTS CAMPS

Note: Times and Days vary for each Athletic Camp.
Locations: Various areas. Please read all descriptions to find locations.

June 2-4

BASKETBALL with Coach Trey Hatfield

8:30am - 11:30am

Grades 3-6 - Boys and Girls

\$225

Campers will learn the fundamentals of the game and different skills based on their ability, and all abilities are welcome! Campers will play different games incorporating the fundamentals and skills taught throughout the week, compete in 3 on 3 and up to 5 on 5. The goal of our camp is for everyone to learn, grow, develop, and have a great time doing it! Located on Garth Campus.

June 4-7

SOCCER with Coach Cody Santos

(WEDNESDAY-FRIDAY) 4:00pm - 6:00pm

(SATURDAY) 2:00pm - 5:00pm

Grades 3-6 - Boys and Girls

\$225

Join the Randolph Boys Soccer Camp for a week of skill-building, teamwork, and fun! Campers will focus on fundamental techniques like dribbling, passing, shooting, and defending while also learning about positioning and game strategy. Through small-sided games and scrimmages, participants will have plenty of opportunities to apply their skills in a competitive yet supportive environment. Open to players of all skill levels, this camp is a great way to improve, connect with teammates, and experience Raider Soccer! Located on Garth Campus.

June 2-5

SOFTBALL with Coach Michael Cagle

3:00pm - 5:00pm

Grades 2-5

\$200

Join Randolph coaches and players at the Raider Softball Summer Skills Camp and grow your skills in throwing, batting, and base running. Players to provide all drinks, Gatorade, Powerade or water. No coke type drinks allowed. Located on Garth Campus.

SPORTS CAMPS

Note: Times and Days vary for each Athletic Camp.
Locations: Various areas. Please read all descriptions to find locations.

June 2-4

\$225

CHEERLEADING with Coach Jordan Lee

9:00am - 12:00pm
Grades PK-5

In this camp, the upper school cheerleaders will lead the girls in a three-day camp including cheers, dances, snacks and games. Your student will learn sideline cheers and a dance, including a final performance on Wednesday open to family and friends. The camp will provide a T-shirt, bow, snacks and drinks. Located on Drake Campus.

June 9-13

\$250

WRESTLING with Coach Brytt Davidson and Coach Matt Stroe

3:00pm - 5:00pm
Grades 3-6 - Boys and Girls

Discover the exciting world of wrestling at the Randolph Raider Wrestling Camp! Campers will learn foundational techniques, including takedowns, escapes, and pinning combinations, with sessions tailored to all experience levels. Led by our knowledgeable coaching staff, this camp emphasizes skill development, mental toughness, and sportsmanship. Whether you're a beginner or a seasoned wrestler, this camp will help you sharpen your skills, build confidence, and have a blast on the mat. Located on Garth Campus.

June 23-25

\$225

VOLLEYBALL with Coach Bri Turner

Grades 4, 5, 6 at 9:00am - 12:00pm
Grades 7-8 at 1:00pm - 4:00pm

Get ready to bump, set, and spike your way to success at the Randolph Volleyball Camp! Campers will focus on improving key volleyball skills such as serving, passing, setting, and hitting, all while learning team strategies and building confidence. Our enthusiastic coaching staff will lead drills, fun competitions, and scrimmages to reinforce skills in a dynamic, supportive environment. Open to all experience levels, this camp is the perfect opportunity to grow as a player and have fun with fellow Raiders! Located on Garth Campus.

Randolph Counselor in Training (C.I.T.) Program

\$155
per week

This program is for kids aged 14-15. Counselors in Training (CITs) assist our camp counselors with the day-to-day operation of the camp from 7:45 a.m.-3 p.m. every day. They are assigned to a specific camp group and stay with that camp group throughout the entire session. Lunch and snacks are included.

CITs daily roles include hands-on experience working with campers, assisting with transitions between morning and afternoon sessions, and helping to facilitate camp programming and projects. In addition, they participate in team building and bonding activities with the other CITs which include meetings, group games, and projects. CITs are an integral part of our programming, helping to bridge the gap between camper and counselor. They will also have opportunities to come back and help with mini-camps throughout the school year!

Session #1 June 2-6 (4 participants a week)

Session #2 June 9-13 (4 participants a week)

Session #3 June 16-20 (4 participants a week)

Session #4 June 23-27 (4 participants a week)

Session #5 July 7-11 (4 participants a week)

Session #6 July 14-18 (4 participants a week)

Session #7 July 21-25 (4 participants a week)
